

Invest in the future of the NBF.....

The National Bullock Family (NBF) established the NBF Legacy Fund in 2006. Approved by the board of directors and the Bullock family members, the legacy fund was adopted.

The fund was set up to continue the legacy of the Bullock Family and other projects that falls under our organization. This is a voluntary program, and we ask that everyone over the age of 21 and a member of the Bullock family will join the many other members already participating.

Here is how it works: In your last will and testament, you (Bullock Family Member) will stipulate what amount of your estate you want to give to the NBF. You can leave money, insurance policies or assets named in your will to the NBF to continue the success of our organization. You may also stipulate which fund account you want your funds earmarked (scholarships, emergency assistance, general operations or a specific region). Attached is the information form. Please fill it out and bring it to the family reunion. This document will be notarized at the 2026 family reunion. Forms will also be available at the reunion. This information is held in strict confidence and is shared only between the Legacy Fund Chairperson and the NBF's President, Treasurer, and Secretary.

Invest in the future of the NBF and let's carry on the legacy of OUR family.

Thanks for your time and interest.
